As the editor of the *Wheels of Change*, I would like to express my sincere appreciation to all contributors for exploring a very timely topic with intellectual passion, diligence, and patience. Special thanks are directed to Bożena Shallcross for her help with the panel on feminist transgression, organized by Jolanta Wróbel-Best, during the 2017 Association for Slavic, East European, and Eurasian Studies Convention, to Halina Filipowicz and Natalie Cornett for their work on the initial stages of this collection of essays, and to Aleksandra Gruzinska at Arizona State University in Tempe, for her encouragement and dedication to Polish studies. Dean DoVeanna Fulton and Chair Jeffrey Jackson from the University of Houston-Downtown in Houston, Texas, are gratefully recognized for their endorsement and continuous assistance.

I would also like to thank Katarzyna Bielawska-Drzewek, from the University of Warsaw Press, for her editorial support. And last, but not least, I thank Maria Wróbel, my mother, who taught me about persistence, and Ralph L. Best for his friendship, patience and understanding.
